About the Scholarship Management Program

As a partner in philanthropy, the Carolinas Foundation manages scholarship programs for credit unions. We handle the communications to the applicants and the disbursement of funds to the schools. Our scholarship fee is based on the number of scholarships awarded. Credit unions are able to use the Foundation's secure online application and judging portal but can also elect to use its own application.

In order to qualify and apply through the secure online portal, an applicant must be a member of a North or South Carolina credit union and have a non-weighted GPA of 3.0 or higher. All applicants are eligible for consideration by the Carolinas Foundation for its academic and needs-based scholarships, including credit union employees. If an applicant is eligible for scholarships from several credit unions, they may select multiple credit unions on the application.

The scholarship cycle runs from October to the beginning of February each year. For more information, visit carolinasfoundation.org or email Jeff Hardin at the Foundation at jhardin@carolinasfoundation.org.
